

**REMARKS/ARGUMENTS**

I. Status of the Claims

Upon entry of this amendment, claims 2-34 are canceled with prejudice or disclaimer. Applicants retain the right to reintroduce these claims into this or another application. New claims 35 -64 are introduced upon entry of this amendment. Hence, claims 1 and 35-64 are pending following entry of this amendment.

The new claims finds support throughout the specification, including for example, page 18, line 9 to page 21, line 5, as well as the original claims.

II. Amendments to the Specification

The Cross Reference to Related Application section has simply been updated to claim priority to the parent application of the instant application and reworded for greater clarity and consistency.

The other amendments are simply to introduce sequence identifiers.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 303-571-4000.

Respectfully submitted,
